GLASSHAUS

Glasshaus' boasts two large function spaces - one indoor and one outdoor - that are cool, memorable and quintessentially Melbourne.

A striking blend of industrial chic and botanical splendour, Glasshaus' two venues are inner city green sanctuaries that create charming backdrops for weddings and functions.

Glasshaus Inside and Glasshaus Outside are draped in exotic foliage and showered in natural light. We work side-by-side with the venue to craft tailor-made menus and packages suited to our clients.

Venue Features

The award-winning Glasshaus venues are visually stunning, ambient and easily accessible. The highly flexible spaces can be customised to suit individual needs and range of occasions. Combined with our bespoke catering services, clients can receive a complete package of services.
